Commissaire Communiqué

Commissaires Note:

The standard of riding today was good, but the practice of riding on the RHS of the road and impeding the progress of the moto marshals and the PSNI escort duty is jeopardising the standard of this event in the eyes of the police.

In stage 5, the commissaires will deal with this situation robustly and anyone seen to be impeding the movement of official vehicles through selfish riding can expect appropriate penalties.

Penalty - 10 seconds penalty imposed on rider 30 (Sam Craig) for taking non-regulation service on the RHS of the road.

Penalty - 30 second penalty imposed on rider 107 (Mike Rudling) for incurring a second warning regarding riding with jersey number obscured.

Warning issued to riders 7,75 for riding with obscured numbers and to rider 68 for riding with no frame number.

Thanks to motorbike team for their hard work in facilitating the mobile marshalling for stage 4.

The College of Commissaires
